

Cookie Usage on the Oakwood Intranet

This Website uses Cookies in order to provide a useful and reliable experience when visiting and helps us improve the site.

When a user logs in and visits certain pages, standard data is collected. This is not used to personally identify anyone.

By logging into the Oakwood Intranet, you are agreeing to the use of Cookies on this site.

A cookie is a small text file, placed on your device/ browser to provide a better experience. These are used on an individual basis. To find out more about Cookies, you can visit the following Website: www.aboutcookies.org.uk

The types of Cookies we use on this site

First party Cookies

These are necessary Cookies that are directly set by this website. These are essential to keep the Intranet running. These keep track of the session ID, recent data submission states and the Wellbeing choice. Details can be seen below:

Name	Purpose	Expires
PHPSESSID	Default identifier that PHP uses for Cookies generated during a session.	End of Session
Banner_Seen	To hide Notification banner once user has clicked "Okay", on subsequent log ins.	3 weeks
Data_collected	To check if a recent data collection was submitted (Only applies if Data collection was submitted)	5 days
Wellbeing_choice	To hold Students wellbeing choice and show relevant information. Also stops buttons being abused and data becoming redundant.	At midnight
TestRecorded	Set when a COVID test has been submitted, to stop more being added on same day. This is unique to each user.	At midnight

Third party Cookies

To further enhance and protect the website, we use third party services and plugins (For example Microsoft 365 & SimpleSAML).

For these to work correctly, they may set Cookies through this Website. For information & privacy policies and how to opt-out of them collecting any data, you should refer to their respective Websites.

Achieving Excellence Together
